

# NYSDA RESIDENTIAL CLEAN ENERGY AND ENERGY EFFICIENCY FINANCING GREEN REVENUE BONDS, SERIES 2022A

**Participant:** New York State Energy Research and Development Authority (NYSDA)

**Location:** State of New York

**Investment class:** Green Bonds

**Amount to be financed:** US\$25,600,000

**The Project:** The Series 2022A Bonds are being issued to (a) finance loans made by NYSDA to fund (i) the installation of energy efficiency improvements, (ii) the installation of solar electric systems and (iii) air source or ground source heat pumps for eligible participants pursuant to the Green Jobs—Green New York (GJNY) Program, (b) fund a Reserve Fund and (c) pay the costs of issuing the Series 2020A Bonds. The GJNY Loans are offered to owners of one to four family residential homes, have loan terms of 5, 10, or 15 years, have an original principal balance of up to \$25,000. Interest rates are based on the borrower’s household income as compared to the applicable county medium income and are mostly/generally 3.49%-6.99%, with the exception of loans issued through applications approved through a temporary promotional period from 6/1-6/15/2020 which were offered at 0%.

## Sustainability Outcomes:

- Energy Saved
