

DTE ELECTRIC GREEN BONDS

Participant: DTE Electric Company

Location: DTE Electric Service Area (Southeastern Michigan)

Investment class: Green Bonds

Amount financed: US\$1,175,000,000

The Project:

DTE Electric green bonds help to:

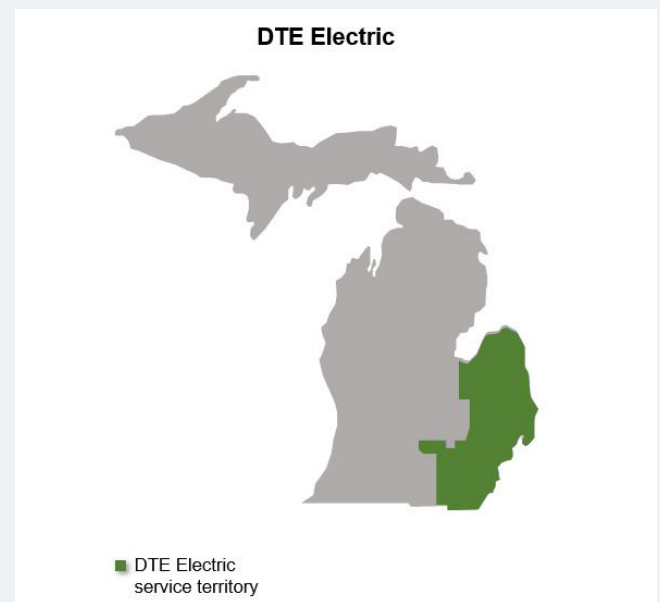

- Fund the development and construction of solar and wind farms, including the infrastructure to support renewable energy facilities
- Strengthen energy efficiency programs to help Michigan residents and businesses reduce energy usage

ESG Outcomes:

- Reduction in carbon emissions
- Energy Saved
