

# DTE ELECTRIC GREEN BONDS

**Participant:** DTE Electric Company

**Location:** DTE Electric Service Area (Southeastern Michigan)

**Investment class:** Green Bonds

**Amount financed:** US\$1,175,000,000

## The Project:

DTE Electric green bonds help to:

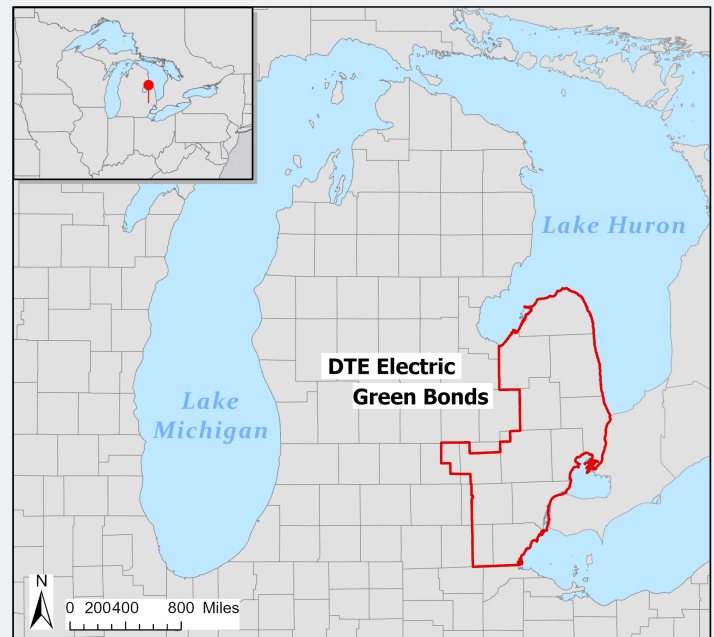

- Fund the development and construction of solar and wind farms, including the infrastructure to support renewable energy facilities
- Strengthen energy efficiency programs to help Michigan residents and businesses reduce energy usage

Example Project: Executed independently of the Platform, this already-completed project aligns with the Platform's structure and environmental goals.

## ESG Outcomes:

- Reduction in carbon emissions
- Energy Saved
